

# YOUTH HEALTH SUMMIT COMBATING COLORISM:

*Exploring the Role of Youth*

## THE BENEFITS OF ATTENDING THE SUMMIT:

- The youth participants will gain knowledge about the topics of colorism, skin-lightening practices, chemical exposures and ways these issues are impacting them, their families and communities.
- Youth will take leading role to identify solutions to the issues of colorism, skin-lightening practice and chemical exposures.
- Will learn organizing for effective advocacy.

On this half day Summit youth will gather to expose the hidden truths of colorism and the damage it has done to society. The participants will have an opportunity to discuss about solutions and ways to provide support system for the impacted communities.
